We request our affiliation to INTERWOOLLABS and agree to adhere to its Statutes. For this purpose, we agree to comply with the minimum criteria and recommendations of the Management Committee.

Signature: ..... Date: .....

## Section 2: Laboratory Details (compliance with IWTO-52)

### 1. Laboratory dimensions

- (a) **Area** of the laboratory in which the instrument is located: .....m<sup>2</sup>
- (b) **Volume** of the laboratory in which the instrument is located: .....m<sup>3</sup>

### 2. Details of the air-conditioning systems used in the laboratory

- (a) **Make and Model** of the air-conditioning and control systems used to control the standard atmosphere (temperature and humidity) of the laboratory:

.....

- (b) Please provide **photo(s)** of the air-conditioning and control systems ☐

- (c) Please provide the **type(s), description(s)** and **photo(s)** of the instruments\* used to measure to standard atmosphere of the laboratory:

..... ☐

\* Instruments include those that indicate and/or record atmosphere measurements

- (d) Please provide **evidence\*** of the control of the standard testing atmosphere ☐

\* Evidence may include charts from recording devices or tables of regular measurements

## Section 3: Testing Details (compliance with IWTO-17)

### 1. Sample Preparation

- (a) Manufacturer of the Automatic Preparer (Fibroliner): .....  
...

- (b) Please provide **photo(s)** of the Automatic Preparer (Fibroliner) ☐

### 2. Instrument Calibration and Measurement

- (a) Manufacturer of your ALMETER(s): .....

- (b) Please provide **photo(s)** of the first three pages of your ALMETER manual ☐

- (c) Please provide **photo(s)** of the ALMETER(s) in your laboratory ☐

- (d) Please provide **photo(s)** of your TRAPEZIUM STANDARDS used to check the calibration ☐

- (e) Frequency of checking ALMETER accuracy with trapezium standards: .....

- (f) Please provide **photo(s)** of the front page of your copy of IWTO-17 ☐
